Arizona Smart Choice Program Statewide Nutrient Analysis Services List

Rev. 6.24.08

Information to obtain from prospective nutrition professionals that can help you in your selection include the following:

- 1) Expertise: Degree in nutrition, evidenced with the initials RD or DTR as registered dietitian or dietetic technician registered
- 2) Experience: Experience providing nutrient analysis services
- 3) Established Business: Evidence of Business Name Registration with the Arizona Secretary of State
- 4) Culinary Skill: Experience cooking from standardized recipes

Disclaimer: The nutrient analysis vendors on this list represent available resources affiliated with the Arizona Dietetics Association that have expressed an interest in working with the Arizona Smart Choice Program. The Arizona Department of Health Services (ADHS) does not mandate the use of these vendors and recognizes that other reputable nutrient analysis companies can provide such services provided that they have relevant expertise and experience and are an established business with the State of Arizona.
